All our fresh products are imported directly from Italy with careful selection by us. We only sell quality products including wine, pasta, oil and other dry goods, mainly from the south of Italy, which is where we are from.

Our deli counters display a vast variety of cured meats and cheeses, a large selection of olives, antipasti and fresh bread, which is delivered daily.

We also provide a personalised hamper service for a special gift, as well as gift vouchers, private catering and office meetings.
