(a little piece of Italy)

All our fresh products are imported directly from Italy with careful selection by us. We only sell quality products in our **AWARD WINNING DELI** including wine, pasta, oil and other dry goods, mainly from the south of Italy, which is where we are from.

Our deli counters display a vast variety of cured meats and cheeses, a large selection of olives, antipasti and fresh bread, which is delivered daily.

We also provide a personalised hamper service for a special gift, as well as gift vouchers, private catering and office meetings.
